# COURSE OVERVIEW

Equipping women to be a life-giving presence in their home, their world, and their church for God's glory...

As a teaching team, we are passionate about teaching God's Word and curating biblically accurate content for our RADIUS campuses.

In order to prepare our team well, we hope to extend this cohort opportunity to women eager to learn about teaching or writing in any capacity through RADIUS or beyond.

The cohort consists of 4 modules where books will be read over the course of a month on their own pace, each participant taking notes to prepare for group discussion.

Once per month the group will meet to discuss the previous month's readings.

At the end of Module 3, participants will choose which track they will continue on, either teaching or writing, which will host targeted videos and articles aimed at their chosen skill, culminating in a presentation of either a verbally taught Bible message or a written study or devotional.
