

THE SPIRIT OF
CHRISTMAS

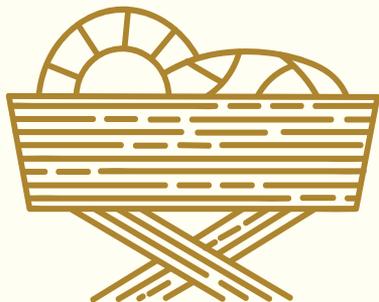

LOVE · JOY · PEACE

IN YOUR HOME

Join your RADIUS family December 1 - December 25, as we read through the grand narrative of Scripture from Creation until Christ's birth. Below, you'll find some suggested tips to help make devotion time meaningful in your home.

Read the daily passage together as a family. Stop to explain any words that are confusing. Discuss the questions and then pray together.

BIBLE READING

As you read, ask these questions:

- What did I discover about God in this passage?
- What did I discover about people?
- How should I respond to the passage?

PRAYER

Pray the truth about God.

Worship through prayer. Focusing our attention first on God helps us maintain humility, obedience, and a desire for our hearts to align with His.

Pray the truth about yourself.

Confess and celebrate! Confession is often birthed out of praise and adoration of God. Seeing God for who He is shows you most clearly who you are. There are always things to thank God for so celebrate His work in your life and in your radius.

READING PLAN

IN YOUR WORLD

Christmas is a great time to begin a conversation about Jesus with your neighbors, co-workers, friends, and family. We've included invitations that you can use to invite others on Sundays all throughout December and to Christmas Eve Services. Behind the invites, you'll find a few different ways to own your radius during Christmas!

1. Find out the dates of your community parades and Christmas celebrations. Get to know your neighbors by being a part of what's happening.
2. Plan a night to drive around town and look at the lights. Write a thank you note and send to the home of your favorite light display.
3. Go out to eat as a family with friends and leave an unusually large tip for the waiter / waitress with a special note wishing them a Merry Christmas.
4. Surprise your neighbor with a homemade Christmas gift.
5. Gather some friends and carol around your neighborhood or at a local nursing home.
6. Invite your neighbors over for Christmas fun: Christmas movie night, gingerbread house contest, cookie decorating, or just dessert and coffee. Christmas provides so many opportunities to get to know those in your radius!

IN YOUR CHURCH

Head over to radiuschurch.info to stay up to date on Christmas at RADIUS by following our social media accounts and subscribing to your campus email.

What better way to celebrate the birth of our Savior than to share a story about how He is at work in your life? Share a story with us about how God has changed you this year. We'll share these during the week between Christmas and New Years.
